

Transfer Credit from Other Institutions

New students who wish to transfer credit from other institutions must provide the Registrar with an official transcript showing grades of C or better in all courses level 101 and above for which transfer credit is requested. **For full consideration, transfer requests, including official transcripts from all institutions previously attended must be received by the Registrar prior to the first day of scheduled classes during the student's first term of enrollment.** Students must make all arrangements to have official transcripts mailed to the Registrar to meet this deadline.

Taylor Business Institute will accept in transfer only those courses that are determined to be similar in scope and credit to a course within the student's declared program of study. Although acceptance of transfer credit is at the sole discretion of the Registrar, TBI will generally accept in transfer general education course credits that the student has earned in Illinois Articulation Initiative (IAI) approved courses* with a name and course description comparable to one offered within the student's program at TBI. Non-IAI general education courses will be evaluated individually to determine their similarity to a course within the student's prescribed program of study.

Except in extraordinary circumstances, the college will not accept more than two quarters of outside credit toward the major core of a degree program.

Tuition is prorated for students who enroll in less than a full program. Students are advised to consult with the Director of Financial Aid to review the effect of transfer credits on financial aid eligibility.

TBI will always give consideration to transfer credits from other accredited institutions recognized by the U.S. Department of Education.
